A not for profit organization

Dear “Friend and Supporter” of Scioto Valley Senior League (SVSL) Baseball,

In 2022, Scioto Valley Youth League baseball reached its 61st year of youth baseball organization and leadership. Also this year, SVYL will collaborate with the Ross County Parks District and the Ross County Commissioners to create long-term baseball opportunities for youth ages 13 to 16 at the Ross County Park on Egypt Pike. Our vision for this local facility is to provide a hometown option for baseball players aging out of traditional youth baseball leagues in Ross County and surrounding areas.

There has been a lack of options and opportunities for youth ages 13 to 16 in our area to continue their passion for baseball, leaving a gap between youth leagues and high school baseball. Our goal is to develop this park to the same standard as the community is accustomed at Mary Lou Patton Park. We aim to bring a great experience for this age group back to this area through the Scioto Valley Senior League.

The Ross County Park has been operating for the past decade with minimal funding, leading to challenging operations and limited maintenance and upkeep. Capital improvements have been limited, leading to substantial need within the park. Your contribution and sponsorship will allow us to create the type of improvements to the facilities that are much needed to make the park a quality baseball location for youth.
